GOSPEL MESSAGE

Jesus was obedient to the Father, even to death on the cross. We need never fear if we turn away from the path of virtue, for the Lord is ever ready to forgive us, if we repent. Remember, the Lord's compassion and kindness are from of old.

STEWARDSHIP MESSAGE

The first son in today's Gospel said he would do his father's bidding, but did not. The second son balked at first, but then repented and did as he was asked. What service is God calling me to do? Which son am I more like?

GOD'S PLAN FOR GIVING

As Christian stewards we are called to a high and holy standard - living as Christ's disciples every day and with every person the Lord places in our path. But we can move towards this goal in "baby steps."

Jesus demonstrates this comforting truth through the parable He tells in today's Gospel from Matthew. It is the story of two sons whose father instructs them to go out and work in his vineyard that day. While the second son agrees to his father's request, he does not follow through - he fails to obey the father's will. The first son tells his father, "no." At least he is honest! And in the end, he reconsiders and obeys his father.

The first son's honest, less-than-perfect response, is consoling to us Christian stewards. Haven't we all felt this way at times when God's will for us seems to be just too hard?

We can be honest with God at these times. He knows our thoughts already, after all. But when we stay engaged in a real relationship with Him, even if it's just to say, "I don't think I can, Lord," He will supply us with just the grace we need to change our minds and do what He is asking us to do.

We can even take a step backward from time to time because our Father is merciful and kind. What matters is that we keep baby stepping along, assured of the grace we need to more closely imitate the actions and attitudes of Christ. This is the beauty of the stewardship way of life.

Thank you for your continued support and donations!
